

September 11-13, 2009

BUFFALO BILL'S HOTEL CASINO: The area directly north of Buffalo Bill's will be the location for the Start/Finsh Area and the Main Pits. Contingency & Tech will be in the northeast end of the parking lot.

PRIMM VALLEY HOTEL CASINO: The Primm Valley Hotel Conference Center will host Racer Registration, Media Center, Driver Meeting, and Awards Ceremony.

MARKING OF PIT AREAS: The main pits and two outlying pits cannot be marked or occupied until 2:00PM on Wednesday, September 9th. The pits will be swept periodically and all early pit markings or occupations will be removed.

PIT PASSES: Each entry will receive six (6) pit passes.

COURSE LOOP: The course is a 69.0 mile loop with three pit areas.

TIME LIMIT: All classes will have 7 hours from their designated start time to complete the race.

START INTERVAL: All vehicles in both groups will start one every 30 seconds.

GROUP A STARTS @ 6:00AM:

10, SL, 8, PT, 1/2-1600, 5, 6, 7, 5-1600, 7SX, 2, 7/2, SF, SM, 9, 3, ST, SB, 11.

Group B STARTS @ 1:00PM:

3 Laps / 207 Miles - 5, 5-1600, 6, 7, 7SX, 8, PT, 2, 7/2

2 Laps / 138 Miles - 3, 9, 11, SF, SM, ST, SB.

RELIANT ENERGY PLANT: This company is once again allowing SCORE to use their railroad overpass bridge to connect Buffalo Bill's with the outlying desert course loop for each lap. The agreed upon speed limit on Reliant property is 30 MPH.

SPEED ZONE LOCATIONS:

The course has three speed zones on each lap:

1 - OUTBOUND ON RELIANT PROPERTY:

1.0 MILE @ 30 MPH

2 - INBOUND ON RELIANT PROPERTY:

1.0 MILE @ 30 MPH

3 - MAIN PITS TO START/FINISH LINE:

1.0 MILE @ 50 MPH

MAIN PITS: This pit area is located just north of Buffalo Bill's. There is a 50 MPH speed limit in this pit.

OUTLYING PITS: The course has two outlying pits:

Pit 1 - is located at the lower Knight Ranch Road crossing (Mile 30) six miles east of Las Vegas Blvd.

Pit 2 - is located at the upper Knight Ranch Road crossing (Mile 43) just east of Las Vegas Blvd.

PIT SUPPORT VEHICLES: Pit support vehicles must have a pit pass affixed to the inside of the windshield, and must also clearly display the number of their race vehicle. A pit support vehicle that fails to comply will not be allowed to enter the pits.

NO CHASING: Chasing is not permitted at this race. Teams are NOT permitted to set up any type of pit at any location other than the three designated pit areas. Support crews must wait for and pit their race vehicle only at the three designated pit areas. If your race vehicle breaks down and you are unable to reach one of the designated pit areas, your race is over unless you can repair the vehicle on your own.

START/FINISH CHECKPOINT: You are required to make a full and complete stop at the Start/Finish Line at the completion of each lap.

OUTLYING CHECKPOINTS: There are no outlying checkpoints. Visual monitors will be at various locations around the course, but there are no required stops on the outlying desert course loop.

WEATHERMAN RELAY: SCORE will use 151.625 for the main race operations radio frequency. Please use this frequency to report an emergency or ask for help.

IRC REAL-TIME TRACKING: All classes are required to utilize IRC devices for real-time satellite tracking.
